WHO ARE WE?

GLEC is a dedicated Gastro Liver, Pancreas, and obesity care clinic situated in GK close to M-Block market. It's fully equipped with Endoscopy, Colonoscopy, ERCP, Fibro Scan, Capsule Endoscopy, and other procedures. Dr. Ankita Gupta, an eminent Gastroenterologist is a director and chief consultant.

FROM DOCTOR

Gastro Liver & Endoscopy clinic is providing services from expert's hands to examine and tailor digestive health programs to meet the needs of every person. As our motto/slogan states "A promise to gut health" we hope to increase the overall wellness of every person by providing professional care to the patient. The staff at our clinic is ready to help our patients in any way and at all levels, they can.

We have a wide variety of services designed to meet the needs of the individual. It would not be wrong if I said that GLEC is providing one of the best services nationally and internationally.

Dr. Ankita Gupta
